Paper 2: Spelling task
administrator instructions

2013

National Curriculum assessments

Notes for use of this script

The task should take approximately **15 minutes** to complete, although you should allow the children as much time as they need to complete it.

Please read out the instructions as stated below. Once you have read out the instructions, you should ask the children whether they have any questions.

Listen carefully to the instructions I am going to give you.

I am going to read twenty sentences to you. Each sentence has a word missing in your answer booklet. You should listen carefully to the missing word and fill this in, making sure you spell it correctly.

I will read the word, then the word within a sentence, then repeat the word a third time.

Do you have any questions?

Once the children's questions have been answered, the twenty spellings should be read as follows:

1. Give the spelling number
2. Say 'The word is...'
3. Read the context sentence
4. Repeat 'The word is...'

Leave at least a 12-second gap between spellings.

Finally, you should read all 20 sentences again.

Give the children the opportunity to make any changes they wish to their answers.

At the end of the task say:

This is the end of the task – now please put down your pen or pencil.
