1. Introduction

The Standards and Testing Agency (STA) is responsible for the development and delivery of statutory tests and assessments. STA is an executive agency of the Department for Education.

The 2014 national curriculum will be assessed for the first time in May 2016. The sample test and mark schemes set out how the new national curriculum will be assessed from 2016 onwards. This test has been developed to meet the specification set out in the test framework for English grammar, punctuation and spelling at key stage 2. The test frameworks are on the GOV.UK website at www.gov.uk/sta.

A new test and mark scheme will be developed each year.

The key stage 2 tests will be marked by external markers. The sample tests will be marked by teachers if they are used to prepare pupils for the 2016 tests.

Scaled score conversion tables are not included in this document. Conversion tables are produced as part of the standard-setting process. As the sample tests are not subject to standard setting, they are not available for these tests. Scaled score conversion tables for the 2016 tests will be published at www.gov.uk/sta in June 2016.

A variety of questions has been included in this sample test to demonstrate the formats and curriculum content that pupils may encounter in a live test. A commentary is provided in the mark scheme that accompanies each question.

This sample test mark scheme is provided to give teachers an indication of how the tests will be marked. The mark schemes for the sample tests have been subject to a shorter process than the full, rigorous development process that is used for live mark schemes. The pupil examples are based on responses gathered from the test trialling process.

The sample test and mark schemes have been reviewed by teachers and other expert reviewers.

2. Structure of the key stage 2 English grammar, punctuation and spelling test

The key stage 2 English grammar, punctuation and spelling test materials comprise:

- Paper 1: questions (50 marks)
- Paper 2: spelling (20 marks)

3. Content domain coverage

The sample test meets the specification set out in the test framework. Tables 1 and 3 set out the areas of the content domain that are assessed in sample test papers 1 and 2.

4. Paper 1: questions

4.1 Content domain coverage for Paper 1: questions

Table 1 sets out the content domain coverage for questions in Paper 1. Information relating to the codes in Table 1 can be found in the key stage 2 English grammar, punctuation and spelling test framework.

Crossed-out answers	Correct answers that have not been crossed out Correct answers that replace a crossed-out attempt	Crossed-out answers, whether or not these have been replaced by a further attempt

4.3 Explanation of the mark schemes for Paper 1: questions

Markers should familiarise themselves with the marking guidance in section 4.2 of this document before applying the mark schemes below.

The mark schemes contain the following information for each question:

- a question number
- the question from the test paper
- what is required to answer each question – either a correct answer or examples of different types of creditworthy response
- how many marks are available for this question
- any additional guidance that may be relevant
- the content domain reference.

5. Mark schemes for Paper 1: questions

The commentary has been added to the sample test mark scheme to provide an explanation of how the new national curriculum is assessed through the English grammar, punctuation and spelling test.

Question	Requirement	Mark
1 G2.2	<div style="text-align: right;"> <input type="checkbox"/> <input type="checkbox"/> What time will the film start <input checked="" type="checkbox"/> <input type="checkbox"/> </div>	1m
<p>Commentary: This question assesses knowledge of the grammatical patterns that indicate a question and the use of question marks. It appears as the first item in the sample test since initial trialling data shows it to be the question that the most children answered correctly. Subsequent questions are arranged in difficulty order based on trialling data. This question uses a typical multiple-choice format.</p>		
2 G4.2	<div style="text-align: right;"> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> is was <input checked="" type="checkbox"/> </div>	1m
<p>Commentary: This question assesses tense consistency. This was assessed as ‘tense agreement’ under the previous test framework. It is not necessary to know the term ‘tense consistency’ to answer the question correctly. The mark will also be awarded if pupils write the correct response into the spaces in the sentence.</p>		
3 G6.2	<p>Award 1 mark for all five correct.</p> <div style="display: flex; justify-content: space-around; align-items: flex-start;"> <div style="text-align: center;"> <div style="border: 1px solid black; padding: 2px; margin-bottom: 5px;">re</div> <div style="border: 1px solid black; padding: 2px; margin-bottom: 5px;">de</div> <div style="border: 1px solid black; padding: 2px; margin-bottom: 5px;">mis</div> <div style="border: 1px solid black; padding: 2px; margin-bottom: 5px;">im</div> <div style="border: 1px solid black; padding: 2px; margin-bottom: 5px;">il</div> </div> <div style="text-align: center;"> <div style="border: 1px solid black; padding: 2px; margin-bottom: 5px;">mature</div> <div style="border: 1px solid black; padding: 2px; margin-bottom: 5px;">understood</div> <div style="border: 1px solid black; padding: 2px; margin-bottom: 5px;">legible</div> <div style="border: 1px solid black; padding: 2px; margin-bottom: 5px;">frost</div> <div style="border: 1px solid black; padding: 2px; margin-bottom: 5px;">do</div> </div> </div>	1m
<p>Commentary: This question assesses prefixes, which are part of the ‘vocabulary’ domain of this test.</p>		

Question	Requirement	Mark
4 G5.6b	<div style="text-align: right;"> <input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> </div> Immediately after dinner, we did the washing up.	1m
<p>Commentary: This question assesses understanding of the use of commas after fronted adverbials, although it is not necessary to explicitly identify the fronted adverbial or to know the term in order to answer the question correctly. This is a new part of the framework.</p>		
5 G4.1a	<div style="text-align: right;"> <input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> </div> The roof was replaced in 1970.	1m
<p>Commentary: This question assesses identification of the past tense and knowledge of the term. This is a new part of the test framework, in addition to the generic test reference code for verbs.</p>		
6 G7.1	<p>Award 1 mark for two correct words encircled.</p> <p>We <u>was</u> / <u>were</u> planning to hold a cake sale at school.</p> <p>I <u>was</u> / <u>were</u> chosen to design the posters.</p>	1m
<p>Commentary: This question assesses Standard English forms for verb inflections. Questions requiring Standard English forms for verb inflections also appeared in previous tests, under the test reference code for subject–verb agreement.</p>		
7 G5.8	<p>Award 1 mark for the correct contracted form.</p> <ul style="list-style-type: none"> • <i>doesn't</i> 	1m
<p>Commentary: This question assesses the use of apostrophes for contracted forms. It is not necessary to know the term 'apostrophe' in order to answer the question correctly, but the term 'contracted form' is used in the question and will be used in questions assessing this area of the content domain. Note that the correct spelling of the word and correct placement of the apostrophe are required for the award of the mark; this is the case with all questions in which pupils have to write a contracted form.</p>		
8 G2.2	<div style="text-align: right;"> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input checked="" type="checkbox"/> </div> This is the book you asked for, isn't it	1m

10 G1.5	plants <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	1m

Commentary: This question assesses identification of pronouns and knowledge of the term.		
12 G1.3	Award 1 mark for a correct adjective formed from 'create', e.g. • <i>creative</i> Do not accept misspellings.	1m
Commentary: This question assesses adjectives. It requires pupils to know the term and to form an adjective of their own from a given root word in order to answer the question correctly. Correct spelling is required for the award of the mark; this is the case with all questions in which pupils have to form words from a given root word or add prefixes or suffixes to a given word.		
13 G3.1a	The table which is made of oak is now black with age. ----- ----- ----- ----- ↑ ↑ ↑ ↑ <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	1m
Commentary: This question assesses identification of relative clauses and knowledge of the term. This is a new part of the test framework, in addition to the generic test reference code of clauses.		
14 G3.1a	as a relative clause <input type="checkbox"/> <input checked="" type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>	1m
Commentary: This question assesses identification of relative clauses and knowledge of the term. This is a new part of the test framework, in addition to the generic test reference code of clauses.

Question	Requirement	Mark
<p>35 G5.6a</p>	<p>Award 1 mark for an explanation of the meaning of both sentences, e.g.</p> <ul style="list-style-type: none"> <i>The commas in the first sentence mean that all mangoes taste delicious / all mangoes are grown in hot countries.</i> <i>There are no commas in the second sentence, so it means that only mangoes grown in hot countries taste delicious.</i> <p>Also accept responses that are not written in full sentences.</p> <p>Do not accept responses that explain only one sentence.</p> <p>Do not accept responses that discuss the function of the commas without fully explaining the effect on the meaning, e.g.</p> <ul style="list-style-type: none"> <i>There are commas in the first sentence so those words aren't important.</i> 	<p>1m</p>
<p>Commentary: This question assesses understanding of how commas can clarify or change the meaning of a sentence. This is a new part of the test framework, replacing commas to mark phrases or clauses. In this case, the commas affect meaning because they indicate whether the relative clause is non-defining (as in the first sentence) or defining (as in the second sentence), but it is not necessary for children to use this terminology in their answer. Pupils need to explain the effect on meaning in both sentences in their answer.</p>

<p>Commentary: This question assesses the use of the passive voice. Passive and active voices were previously assessed only in the Level 6 test. Pupils may omit the preposition phrase (agent) in their answers. Recognisable misspellings are also accepted.</p>

- If the pupil has answered with the correct sequence of letters but has incorrectly inserted an apostrophe or a hyphen, the mark is not awarded.
- If the pupil has answered with the correct sequence of letters but these have been separated into clearly divided components, with or without a dash, the mark is not awarded.
